Highlights

Welcome

We would like to welcome
Jeff Boyer to our Club!

At the last meeting, we had the pleasure of welcoming our Area Governor, Stephen Korski, as a guest speaker.

Peter Taylor gave a great speech titled **The7 Habits**. In his presentation, Peter talked about the book *The 7 Habits of Highly Effective People* by Stephen Covey. He started by giving us a little background about the concepts presented in the book and then walked us through each step by summarizing the key points. He interacted with the audience and spoke with a lot of conviction. It was clear that it is a subject that he is passionate about and he certainly captivated our attention. Good job!

Thank you! Thank you to our guests Stephen Korski, Karen and Gabriella. We would also like to thank the members that participated in the last meeting: Brenda, Colleen, Peter, Ed, Sandy, Andrea and Julie.
